Welcome to a world of Elicious & Freshious : Flagship brands from the house of Baramati Agro

Baramati Agro is one of India's leading agricultural corporations that strives to be a key link between farmers and consumers since 1988. While contributing to the betterment of India's farming community, Baramati Agro also provides immense value to consumers, with a wide range of product offerings through flagship brands such as Elicious and Freshious.

Think Chicken, think Elicious! Because, Elicious offers a wide range of products that score high on both taste and quality. One of India's leading chicken brands, Elicious offers a delicious variety of Exotic Ready to Eat, Fry and Serve and Grill and Serve & Heat & Serve products. Packed with wholesome nutrition, Elicious products are hygienically processed and packaged, from farm to fork!

If Elicious is synonymous with mouth-watering chicken delicacies, then Freshious, by Baramati Agro too is associated with a delightful range of vegetarian products. A premium brand, Freshious offers new-age consumers the luxury of convenience every day, as well as on special occasions, with its diverse range of Heat & Serve and ready to fry foods.

The best practices we follow together complemented by strong backward integration, help us source only the freshest of produce, ensuring we deliver on quality every time!
