## THE EVER - EVOLVING CUP OF TEA

Sipped in stately rooms from delicate porcelain, the traditional English cup of tea, was once considered a necessary luxury. As more people acquired a taste for this royal blend, tea became the mainstay of many. A powerful, reviving beverage for that morning kick or an energising burst at sundown. The ever-evolving beverage continued to reinvent, shifting effortlessly from the traditional Earl Greys and Masala Chais, to a world of specialty teas such as green teas, tisanes and herbal infusions.

Today, our wide array of internationally acclaimed flavoured teas and infusions cater to a wide audience ranging from the traditionals to health conscious millennials, offering them a cup of tea that is the finest, yet true to each.

## A FINE LEGACY

A leading global brand, Typhoo has been indulging tea enthusiasts the world over with its long and rich heritage, stretching back to 1903.

In India, Typhoo offers an array of Black and Specialty Teas, Flavoured Teas, Green Teas and Organic Herbal Teas, specially created to delight the Indian diaspora of tea lovers and wellness beverage seekers.
